

Cuisinart®

Cuisinart® Slim Espresso Machine, 15-Bar Pressure, 1.5L Water Tank

255340

- **BARISTA-STYLE COFFEE, HOT OR ICED:**

Whether it's a bold morning espresso, a smooth latte, or a refreshing iced coffee, this slim machine delivers rich, café-quality results at the touch of a button.

- **15-BAR PRESSURE FOR FULL FLAVOUR:** Enjoy bold, aromatic espresso with a golden crema every time, thanks to professional-grade pressure and a stainless steel bottomless portafilter that lets you see the magic happen.

- **FROTHY PERFECTION, YOUR WAY:** The built-in steam wand creates silky microfoam for lattes, creamy froth for cappuccinos, or simply hot water for teas - ideal for dairy or plant-based milk.

- **COMPACT DESIGN, BIG ON CONVENIENCE:**

With a 1.5L removable water tank, adjustable drip tray, and cup-warming plate, this space-saving machine is perfect for small kitchens, busy mornings, or stylish countertops.

- **BREW STRAIGHT INTO YOUR TRAVEL MUG:**

Designed for real life, it fits mugs up to 600ml, so you can take your handcrafted coffee with you, whether you're commuting, working from home, or heading out for the day.

- **EVERYTHING YOU NEED TO GET STARTED:**

Comes complete accessories to start brewing like a pro from day one - stainless steel milk jug, single and double shot filters, scoop and tamper.

PRODUCT DETAILS

Espresso Bar™ Slim Espresso Machine - Barista-Quality Coffee, Right at Home

Elevate your daily coffee ritual with the Cuisinart® Espresso Bar™ Slim Espresso Machine, designed to bring the full café experience into your kitchen. Whether you're starting your morning or winding down in the evening, this sleek and compact machine empowers you to craft rich, flavourful espresso drinks with ease. With 15 bars of pressure, it delivers consistently balanced extractions, ensuring every shot is

smooth, aromatic, and full-bodied.

Enjoy the visual satisfaction of a perfect pour with the stainless steel bottomless portafilter, which lets you see the crema form in real time - a definition of expertly brewed espresso. For those who love iced coffee, the cold extraction feature makes it simple to create refreshing cold brews and iced lattes without compromising on flavour. And when you're in the mood for something creamy, the built-in steam wand allows you to froth milk to your preferred texture, ideal for cappuccinos, lattes, or even just a touch of foam on your espresso.

Designed with your lifestyle in mind, the Espresso Bar™ accommodates travel mugs up to 600 ml, so you can take your favourite drinks with you wherever you go. The adjustable drip tray fits a variety of cup sizes, while the cup-warming plate on top keeps your mugs ready for serving. A removable 1.5-litre water reservoir and included charcoal water filter ensure your coffee tastes fresh and pure every time.

To get you started, the machine comes with a full set of accessories: a stainless steel milk jug, single and double shot filters, a coffee scoop and tamper, and a steam wand cleaning pin. It's also fully compatible with the Cuisinart® Espresso Grinder, so you can enjoy the freshest grounds for every brew. With the Espresso Bar™ Slim Espresso Machine, every cup is a chance to indulge, experiment, and enjoy the art of espresso, your way.
