PRODUCT DETAILS

Versatile, bluesign® approved backpack made from recycled materials with protective storage for a laptop, multiple pockets, and anti-theft features to keep everything organized and secure.

- Store daily essentials while protecting a 14" laptop in a padded, elevated pocket and a tablet or files in a dedicated slip pocket
- Contents remain secure in main compartment with concealed zippers, a back-facing opening, and a snap flap that closes over the zipper for added security
- Organize small electronics and accessories and keep everything within reach with multiple interior pockets, organization panel for small electronics, and key fob hook
- Safeguard your identity and personal information with a RFID blocking pocket
- Made with coated ripstop material, YKK zippers, and aluminum hardware for added durability
- Hidden back access pocket with locking zipper slider
- The shoulder strap detaches at the bottom of the backpack and wraps around any affixed object to prevent theft
- This backpack meets the bluesign® criteria. Made of bluesign® approved fabrics and accessories and produced in a resource conserving way with a minimum impact on people and the environment
- Scan metro card without removing it from the dedicated side pocket. Simply place the bag over the scanner to activate
