Polaroid Coffee Table Photo Album Effortlessly display your artwork in this matte black-finished album and box, with a simple slot-in design. Holding up to 112 full-frame Polaroid pictures – that's 14 packs, gently turn the pages and view your life's work. You can even double up on storage by using the box and album separately. Compatible only with Polaroid i-Type, 600 and SX-70 photos.

PRODUCT DETAILS

Got a stack of Polaroids you love?

This Studio Coffee Table Album is the perfect spot to give them a home and add a cool, modern touch to your living room. The sleek matte-black finish? It just works with everything.

No fussing with tricky sleeves here. Just slide your i-Type, 600, or SX-70 photos into the easy slots, and you're good to go. With space for a whopping 112 pictures, you can finally get all those memories out of shoeboxes and onto your coffee table.

Key Features:

- Tons of Room: Seriously, 112 photos. That's a lot of good times.
- Easy Peasy Placement: Just slide 'em in. No stress.
- Works with All Your Favorites: i-Type, 600, SX-70 – whatever you shoot, it fits.
- Feels Good, Looks Good: The black linen cover and thick paper give it a real quality feel.
- Perfect Size: Big enough to show off your photos, but not so big it takes over your whole table.
