PRODUCT DETAILS

SILENT-SELF-WATERING

Up to 4 weeks autonomy. Water consumption is 5x lower than for a soil-based crop. The garden light flashes when the tank needs to be filled.

ACCELERATED GROWTH, SUBLIMATED FLAVORS

SAVORYLIGHT™ energy-efficient LED grow lights reproduce day/night light cycle. Low energy consumption.

IT'S EASY, NO NEED TO BE AN EXPERT

Each plant comes in the form of a Lingot: a ready-to-use refill that includes all the elements needed for successful growth (natural substrate, ORGANIC seeds and essential nutrients). A collection of 74 flavors. Their large growing surface offers you 4 to 6 months of harvest per Lingot. They are 100% biodegradable, pesticide and GMO free.

MADE IN FRANCE AND ECO-FRIENDLY

Designed, manufactured and assembled in France, the packaging is eco-designed. The products are recyclable and the refills are biodegradable and compostable.
