PRODUCT DETAILS

Stay Entertained Anytime, Anywhere

With a built-in rechargeable battery, you can binge-watch your favorite Hollywood blockbusters without cords or interruptions, providing up to 2.5 hours of playback in ECO Mode or up to 6 hours in Bluetooth Speaker Mode.

Power Through Your Watchlist

Never let your entertainment run out of juice! Freedo supports fast charging with power banks of 65W or higher, as well as phone and laptop chargers via USB-C, ensuring extended enjoyment wherever you go.

Always Ready to Go

Tumbler-shaped and lighter than a laptop, Freedo is designed for effortless one-handed carry.

Wall-to-Ceiling Flexibility

Unlock endless viewing angles for your favorite movies and shows with the integrated gimbal stand, which offers a 165° tilt range and supports real-time keystone correction when projecting onto the ceiling.

Tiny Titan of Visuals

Elevate your movie nights with crisp 1080p visuals (4K compatible via HDMI) and bright 450 ISO lumens—all in a compact package.

Immerse Yourself, Any Size

Tailor your viewing experience! Project images up to 180 inches onto virtually any surface—walls, ceilings, screens, or even tents.

True-to-Life Colors

Freedo amazes with over 90% DCI-P3 and 124% Rec.709 color gamut coverage, ensuring vibrant color reproduction.

Say Goodbye to Color Difference

Savor colors as they were meant to be seen with the standard D65 color temperature, offering cinema-like realism in every view.

Stream, Relax, Netflix

With over 10,000 apps and more than 700,000 movies and TV shows to choose from, including built-in official Netflix, you can dive into endless entertainment without needing any additional devices. Availability may vary by region.

AI-Powered Setup Smarts

InstanPro AI Image Setup ensures you always have the best possible image, no matter where you set it up.

Safe Screen for Little Eyes

A safe viewing experience for everyone. Freedo automatically dims the light when kids or pets pass in front.

360°Surround Sound

Enjoy cinematic audio immersion with the added versatility of a wireless Bluetooth speaker for your music playback.

Cast with Ease

Built-in Google Cast lets you effortlessly stream photos, videos, and music from your favorite device to the big screen. To mirror your entire screen from an iOS or Android device, simply download the AirScreen app on the projector.

Intuitive Control, Simplified

From checking battery levels at a glance to hands-free voice control, everything is designed to maximize your convenience.

Versatile Connectivity

Freedo features hidden HDMI ARC and USB ports, offering a minimalist look while seamlessly connecting with modern devices.

Adventure-Ready Protection

With the premium EPP carry case, keep Freedo and all its accessories safe and organized on the go.
