PRODUCT DETAILS

Superior signature sound

Rich, clear and loud, like the artist intended. Emberton utilises True Stereophonic, a unique form of multi-directional sound from Marshall. Experience absolute 360° sound where every spot is a sweet spot. By separating out the spatial content of stereo recordings, Emberton produces a sound much larger than its size and outperforms most speakers in its class.

20+ hours of portable playtime

Emberton offers 20+ hours of portable playtime on a single charge. Its compact size and rugged durability make it perfect to take with you. Emberton can be quickly charged, with 20 minutes giving it a playtime of 5 hours.

Roadworthy design rated IPX7

Emberton is tough and resilient. With its silicone exterior and solid metal grille, it boasts an extremely durable and easy to use design. Its IPX7 water-resistance rating means you can submerge Emberton in 1 m of water for a period of up to 30 minutes.

Multi-directional control knob

Emberton is simple and easy to use. Control it with the multi-directional control knob. You can play, pause, skip tracks and adjust the volume of your speaker, as well as turn it on or off.

Portability

Emberton weighs just 0.7 kg and can fit in the palm of your hand, making it the perfect compact speaker to take with you. Its durable silicone exterior and IPX7 water-resistance rating mean this compact portable speaker is in it for the long haul.

Bluetooth

Emberton comes equipped with Bluetooth technology 5.0 for simple connectivity, exceptional audio quality and wireless music play. Play music from any Bluetooth device with a 10 m range.

Iconic Marshall design

Emberton combines contemporary technology with iconic Marshall design to deliver hard-hitting sound while retaining a classic look. Signature details such as the solid metal grille and iconic Marshall script adorn the front of the speaker, echoing the legacy of rock ‘n’ roll.
