256678

Experience the thinnest wearable breast pump with the Momcozy Air 1. Ultra-slim, quiet (45dB), and app-controlled for discrete, hands-free pumping. Get up to 15 sessions with the wireless charging case

Colour

PRODUCT DETAILS

The Momcozy Air 1 Ultra-Slim Breast Pump is designed for modern moms who prioritize discretion, efficiency, and convenience. As the thinnest wearable breast pump on the market, it offers a nearly invisible pumping experience, allowing moms to pump confidently anywhere—whether at work, in public, or at home. Featuring an innovative transparent top, it ensures easy nipple alignment and effortless monitoring of milk volume, minimizing discomfort and optimizing efficiency. Its wireless charging case provides up to 15 pumping sessions or 5 days of use, streamlining the routine by eliminating messy cords and integrating storage. With an ultra-quiet operation (<45dB), moms can pump discreetly without disturbing others. The Momcozy app integration enables seamless pumping mode switching, real-time tracking, and full-collector notifications, making it a truly hands-free, smart pumping solution. Designed for comfort, the pump includes soft 50A silicone flanges that cater to all breast shapes, ensuring a gentle and secure fit. With only five parts to clean and no extra tools needed, the Air 1 is easy to assemble and maintain, saving time while keeping hygiene a priority. The durable, non-porous PPSU milk collector is designed for easy cleaning, ensuring long-lasting performance.

Features:

- Ultra-Slim & Discreet: At just 2.4 inches thick, it is 22% thinner than Mobile Flow™, making it the most compact wearable breast pump for ultimate privacy.
- Transparent Top for Quick Alignment: The industry-first design simplifies nipple alignment and allows for easy milk volume monitoring.
- Wireless Charging Convenience: The 1800mAh battery-powered charging case supports up to 15 pumping sessions or 5 days of use.
- Silent Operation (<45dB): Ensures a quiet, discreet pumping experience, perfect for office and public use.
- Smart App Connectivity: Syncs with the Momcozy app for automatic mode switching, real-time milk tracking, and full-collector alerts.
- Comfort-Focused Design: Made from 50A soft silicone, providing a gentle and secure fit for all breast shapes.
- Easy to Clean & Assemble: With only 5 parts to clean and no extra tools needed, the Air 1 is easy to assemble and maintain, saving you time while keeping it hygienic. The durable, non-porous PPSU milk collector is designed for easy cleaning, ensuring long-lasting performance.
