

Blueair PRO XL 230VAC Air Purifier with SmokeStop Filter

249248

Completely filters the air in a 110m² room every 12 minutes

PRODUCT DETAILS

Size

MEDIUM, **EXTRA LARGE**, LARGE

Professional performance for extra-large rooms

Filters the air at the industry-recommended rate of 5x an hour (or about every 12 minutes) in a 110 m² room to effectively lower particle levels and maintain a comfortable environment in extra-large, open-concept areas and workspaces. Pro XL moves an impressive volume of air at 990 cubic feet per minute on the highest speed setting.

Keep up with changing conditions

The Pro XL comes standard with the Air Intelligence Module (AIM) with two smart sensors to measure particle and gas levels in your indoor air. Enable AUTO mode for automatic adjustments to fan speed to maintain the optimal clean-air environment.

Designed for your workspace

The galvanized steel housing delivers maximum clean air delivery in a compact design, and the sleek white appearance is designed to blend in seamlessly in a professional environment.

The secret behind powerful filtration

Blueair's unique combination of electrostatic and mechanical filtration that we call HEPASilent™ filtration technology sets us apart. The combination allows us to use filters that are less dense and require less air pressure than traditional HEPA filters without a loss in performance—resulting in quieter and more energy efficient air purifiers.

Superior clean air delivery

Designed to work as hard as you do, the Pro XL is independently AHAM verified for the maximum possible Clean Air Delivery Rate (CADR) of Smoke/>450, Pollen/>450, Dust/>400.

Low energy consumption

Limit energy costs and use 24 hours a day without concern (33-256 W).

Quiet achiever

Noise-levels are no louder than a whisper on low speed (32 dB) and equivalent to the noise level of an

office on high (58 dB).

Specifications

- Dimensions(H x W x D): 1120 x 504 x 240 mm
- Product weight: 32kg
- Energy consumption: 33 - 256 Watts
- Sound level: 32 - 58 dB(A)
- Air outlet: Side
- Air inlet: Side
- Recommended room size: 110 m2
- Air changes per hour (ACH): 5
- Clean air delivery rate (CADR) - Pollen: 1529 m³ per hour (900 cfm)
- Clean air delivery rate (CADR) - Dust: 1614 m³ per hour (950 cfm)
- Clean air delivery rate (CADR) - Smoke: 1360 m³ per hour (800 cfm)

For more specifications, see the datasheet in the downloads tab.

Specs

Product Attributes

EAN:	0689122002590
Manufacturer number:	PROXLES230SMW
Product weight:	32.0 kilograms
Pieces per master carton:	1 Piece

Technical specifications

Air quality monitoring:	true
Clean air delivery rate (m³/h) - pollen:	1529
Clean air delivery rate (m³/h) - dust:	1614
App-controlled:	No
Clean air delivery rate (m³/h) - smoke:	1360
Fan speed settings:	3, Automatic
Filter technology:	HEPAsilent
Recommended filter change:	6-6
Recommended room size (2 ACH)	264
Recommended room size (5 ACH)	110
Sound level:	32-58
Timer:	false

Energy Management

Power consumption:	33-256
