

Elan Sleep - Your trusted clock radio with Bluetooth, Black

256153

Upgrade your bedside with the Elan Sleep, a modern, soft-shaped clock radio designed to replace your smartphone alarm. It brings premium design, superior sound, and effortless usability together in one affordable package.

Features:

- Best-in-Class Stereo Sound: 2x 1.5" full-range drivers (6W) deliver a rich listening experience.
- Smart Display: Large, easy-to-read screen with an integrated light sensor for automatic dimming.
- Versatile Audio: Features DAB+/FM radio, Bluetooth streaming, and a handy headphone output.
- Bedside Conveniences: Built-in ASA, a dedicated power supply, and practical USB-C charging.

Available in sleek Black or warm Sand, the Elan Sleep brings the perfect blend of style and performance to your nightstand.
