momcozy

Momcozy 4-in-1 Bottle Sterilizer and Dryer

256932

Keep your baby’s feeding essentials safe, dry, and ready, without the hassle. The Momcozy 4-in-1 Bottle Sterilizer and Dryer combines sterilizing, drying, storing, and auto mode in one sleek, compact unit designed to save time and simplify life for new parents.

PRODUCT DETAILS

Features:

- 4-in-1 Simplicity - Combines sterilizing, drying, storing, and auto mode in one fully automatic system.
- Fast Drying - Quick-dry technology ensures bottles and accessories are clean and dry in under 30 minutes.
- 8-Minute Full Steam Sterilization - Powerful steam kills 99.9% of common bacteria in just 8 minutes.
- Compact Body, Spacious Capacity - The Momcozy sterilizer is 19% smaller than comparable models, yet fits up to 6 standard bottles plus newborn essentials like pacifiers, pump parts & toys.
- Stackable / Nesting Design - Clever nesting structure minimizes footprint when not in use.
- 72-Hour Safe Storage - Bottles remain clean and ready for up to 72 hours, so you can feed on your schedule without worry.
- Drying Rack Included - Comes with a drying rack to air-dry bottles and accessories right after washing.
