PRODUCT DETAILS

Easy access points
Thule EnRoute backpacks are designed with innovative access points and uniquely-shaped openings that provide greater visibility and facilitate the task of packing and locating gear throughout the day.

Modern style with outdoor-inspired details
A perfect balance between sporty and sleek, Thule EnRoute backpacks incorporate ripstop fabrics, hidden lash points, vibrant color display and discrete pocketing to form a refined collection of bags built for urban commuters and students alike.

Protection & storage for professional gear
Safeguard a 15.6" laptop and 10" tablet in dedicated, padded pockets and pack other daily essentials in a spacious main compartment with plenty of organization.

Unique Access
An L-shaped top-load opening provides high visibility into the main compartment to easily locate items, and to pack and unload everyday-belongings all in one place.

Discrete SafeZone
The well-integrated, hard-shell SafeZone compartment protects a phone, sunglasses or other small valuables from being crushed.
