PRODUCT DETAILS

Size 5L

Compact, bluesign® approved crossbody bag made from recycled materials with anti-theft features and organization for daily essentials.

- Easily adjust the fit to wear it around the waist, chest or back
- Contents remain secure in main compartment with concealed zippers, a back-facing opening, and a snap flap that closes over the zipper for added security
 - Interior organization pockets for small electronics, pockets for pens, and key fob hook within the zipped interior mesh pockets to keep items in place and accessible while wearing the bag
 - Safeguard your identity and personal information with a RFID blocking pocket
 - Keep often used items secure in exterior back pocket with locking zipper slider
 - Fits a 7" tablet in hardshell case or sleeve in main compartment
 - This product meets the bluesign® criteria. Made of bluesign® approved fabrics and accessories and produced in a resource conserving way with a minimum impact on people and the environment
 - Made with coated ripstop material, YKK zippers, and aluminum hardware for added durability
