Momcozy ProCollagen
BellyFirming Moisturizer 150g

256982

EWG Verified, dermatologist-tested, and made for daily use as a stretch mark cream for pregnancy, breastfeeding-safe body care, and postpartum belly cream support, suitable for multi-area use on the belly, breasts, buttocks, thighs, and other dry, tight skin areas.

PRODUCT DETAILS

Size 30 G, 150G

Features:

- **Visible Performance** - Stretch mark care from pregnancy to postpartum. Momcozy Pro-Collagen Stretch Mark Cream helps prevent and visibly fade stretch marks while comforting dry, itchy, and tight belly skin throughout pregnancy and postpartum.
- **Advanced Ingredients: 4x Pro Collagen Peptides + Centella** - This collagen stretch mark cream combines 4x biomimetic peptides, Centella Asiatica, and 9 botanical extracts to help support collagen production, skin firmness, and elasticity as your body changes.
- **Nourishing Texture: Exclusive Oil Capsule Cream with Double Nourishment** - The Fresh-Lock Oil-in-Cream formula blends the richness of belly oil with the comfort of a fast-absorbing belly cream, delivering deep hydration for tight, itchy skin without leaving a greasy feel.
- **Proven Results: Clinically Tested on Moms with Stretch Marks** - In an 8-week Intertek study involving 33 mothers, skin showed visible improvements, including a 33.33% reduction in stretch mark appearance, a 42.26% increase in firmness, and a 25.26% improvement in elasticity.
- **Trusted Safety: EWG Verified & Dermatologist-Tested Pregnancy-Safe Formula** - Developed to provide effective stretch mark care with a safety-focused formula suitable for use during pregnancy and postpartum.
