PRODUCT DETAILS

Scientifically Proven Benefits

- Relieve Aches
- Reduce Tension
- Ease Stiffness

Comfortable and light, Theragun Relief is our most easy-to-use device using scientifically proven percussive massage therapy to provide fast and effective relief from aches, pains, tension and stiffness. The patented triangle grip helps get to those hard-to-reach spots and 3 specialized attachments help treat everything from large muscles to tender, sensitive areas. Theragun Relief makes it easier than ever to feel better and stay active.
