

Wilfa Electric mini contact grill, Black and Steel

251952

The Wilfa Minigrill is a 2000 W table-top grill for indoor use. With the Wilfa Minigrill you can easily grill meat, fish, vegetables or toast - all year round.

PRODUCT DETAILS

Precise grilling

Adjustable thermostat (90-230°C) makes it easy to grill your food to perfection.

Quick and easy

The grill plates grill both sides of the meat, toast or vegetables at the same time.

Easy to clean

The non-stick coated griddles are easy to clean. Dry the plates, empty the drip tray and put them in the dishwasher.

Easy storage

The tabletop grill can be stored upright, making it easy to store.
