PRODUCT DETAILS

Step into a world where creativity meets indulgence. Our Ice Cream & Frozen Dessert Maker is designed to spark curiosity and invite exploration. With no need to pre-freeze, you can create rich, creamy ice cream, vibrant sorbets, and velvety frozen yoghurts in as little as 40 minutes. From classic flavours to bold, new combinations, this machine inspires you to try, to taste, and to create.

Feel the joy as you watch your mixture transform behind the transparent lid, with the intuitive touch of a button. Whether you're crafting smooth gelato or a fruity sorbet, this machine makes it effortless—and fun. The mix-ins funnel lets you sprinkle in your favourite toppings mid-churn, encouraging you to get creative.

More than just a dessert maker, this is your invitation to gather friends, share laughter, and make it all happen. With its 950ml capacity and built-in compressor, you can make batch after batch without waiting. The 1-hour keep-cool function ensures your frozen treats are ready whenever you are.

Confidently serve up high-quality, homemade frozen desserts that outshine store-bought options. Easy to clean and simple to use, it's designed to fuel your optimism and culinary flair, turning every moment into an occasion worth celebrating.

Homemade frozen delights, fresh flavours, and endless possibilities—your next adventure starts here.
