PRODUCT DETAILS

Connect to create more

Unlock extra creative tools inside the Polaroid mobile app. Find focus easily with aperture priority and create cinematic photos with tripod mode. Get these two new tools, plus light painting, double exposure, manual mode, and more.

5 lens filters for every mood

Saturate your photos in color, deepen contrast, or add dreamy effects with 5 experimental lens filters including starburst, red vignette, orange, blue, and yellow. Complete with a zip-through pouch to keep them safe.

Autofocus

The Polaroid Now+ selects the right lens to get your idea in focus.

Rechargeable battery

Includes a USB charging cable to keep your creativity flowing.

i-Type film

Uses the battery-free i-Type film that's easier on the wallet.
