DETALLES DEL PRODUCTO

The everyday camera bag
The next adventure may be closer than you think. Be prepared with Thule's EnRoute Photo Bags – durable and protective backpacks designed to stealthily carry a camera and your daily essentials. Convenient side access, customizable storage and a removable camera pod allow you to modify the bag for each outing. Complete with electronics storage and compartments for personal gear, this camera backpack easily doubles as your everyday bag.

Flexible camera pod
Customizable dividers adjust to perfectly protect a DSLR or mirrorless camera within the padded camera pod. Zippered side entry provides quick access to camera while on the go. Removable camera pod allows you to leave photo gear behind and easily transition the backpack into an everyday bag.

Functional storage
Dedicated slip pocket fits a small laptop or tablet of up to 13” and the front storage pocket provides easy access to everyday items. Integrated SafeZone compartment with organization protects a phone, sunglasses and small essentials with a hard shell and soft-lined interior.

Versatile use
Ergonomic padding on the shoulder straps and backpanel provide a comfortable carry whether you’re cruising around town or hiking a short trail. Integrated pass-through panel securely attaches the backpack to rolling luggage, making travel easier than ever.
