THE GREAT LITTLE HEADSET

#FEEL True Wireless headphones with Bluetooth 5.0 are perfect for listening to your music without having to worry about distractions or cables. The model has a battery life of up to 20 hours and features a built-in microphone for answering calls and interacting with your smartphone voice assistant. The integrated dual master technolog lets you use the earbuds independently from each other. The included charging case is very small and compact, making the headphones very portable. The headset stands out for its sound quality and user friendliness. Simply take it out of the box, connect it to your device via Bluetooth and start listening. When you put the headphones back in the box, they will turn off and start charging, and when you take them again, they will automatically pair with your smartphone. #FEEL headphones are ergonomically built and comfortable to wear - they adapt perfectly to all ears. Via the touch panel, you can control music and calls. Thanks to IPX4 water resistance, humidity and sweat won't be an inconvenience. Available in white, black and blue. Charging connector: Type-C.

WITH A LOT OF TOUCH

The touch panel gives you access to all kinds of touch functions. You can skip to the next song or go back to the previous one. You can also turn the volume up or down, answer calls and interact directly with your smartphone's voice assistant.

MAXIMUM EFFICIENCY, MINIMUM SPACE

The Vieta Pro #FEEL headset features a tiny, compact housing. Perfect for carrying in pockets and bags. They are very portable and comfortable.
