

Marshall

Enceinte portable Bluetooth Marshall Emberton III, Cream

254200

Not all speakers are created equal. Some can provide the soundtrack to your life while taking on dust, dirt, and rain. Emberton III does exactly that and more. It's not for display, it's meant to join the party, wherever the party ends up. You can chuck it in a bag, throw it in the back seat of your car, take it on a cross-country ride, or hit the beach, completely stress free. Emberton III is ready for the fast lane. While you're busy living life to the fullest, you'll experience absolute 360° sound. True Stereophonic is a unique form of multi-directional sound from Marshall – where every spot is a sweet spot. No matter where you're standing, the music will sound vibrant, balanced and loud. Just like it should. With 32+ hours of portable playtime, and battery preservation features built for almost endless listening sessions, you can keep the music playing on repeat.

Coloris

DÉTAILS DU PRODUIT

MARSHALL SIGNATURE SOUND

Emberton III features Marshall signature sound with Dynamic Loudness that adjusts the tonal balance of the audio to ensure your music sounds brilliant at every volume.

TRUE STEREOPHONIC

Emberton III features True Stereophonic, a unique form of multi-directional sound from Marshall. Experience superior spatial and binaural sound that flows around you and fills any space.

32+ HOURS OF PORTABLE PLAYTIME

Emberton III offers 32+ hours of portable playtime on a single charge, so you can keep listening all day and into the next.

DUST AND WATERPROOF

Marshall's on the road spirit lives on in our Emberton III speaker, boasting a rugged design that can battle dust and rain.

BUILT-IN MICROPHONE

Music comes first, but we know life gets busy. Emberton III now comes with a built-in microphone, making hands-free talking much simpler and clearer.

BLUETOOTH LE AUDIO-READY

Emberton III is built to be Bluetooth LE Audio-ready. This future-proof technology will open a new world of audio sharing possibilities with Auracast™.
