

Excel 2000 Ionic

253987

The ultra-light hairdryer for daily use and for all the family. A strong ions generator enriches the airflow with negative ions for glossy hair without static effect.

DÉTAILS DU PRODUIT

The Valera Excel 2000 Ionic hairdryer is a true lightweight for comfortable blow-drying and styling. It weighs only a feather-light 360 grams without cable. Thanks to negative ions in the airflow, static and frizz are blown out leaving space for healthy-looking, soft hair. Excel 2000 Ionic enables comfortable and gentle hair styling.
