Coloris

DÉTAILS DU PRODUIT

FOLLOW YOUR HEART

Get notified if your heart is beating too fast or too slow, track your heart rate day & night and help manage stress and anxiety with breathing exercises.

MENSTRUAL CYCLE GUIDE

Track your menstrual cycle by tracking your phases, duration and symptoms, empowering you to create a personalized routine that aligns with your body's needs.

STAY ON TRACK

Monitor every move with 40+ activities recognized, assess your performance with heart rate zones, Fitness Level via VO2 max estimation, and progress towards goals right on the watch.

OVERNIGHT HEALTH PARAMETERS

Wake to your Sleep Quality Score and deep dive into your sleep metrics with info on how to improve them.

30-DAY BATTERY & EXTRA DURABILITY

Enjoy the freedom of 24/7 tracking for 30 days before needing to recharge, plus benefit from premium materials so you can live life to the fullest.

LIFESTYLE COMPANION

Build better routines with personalized reminders, access to health data history right on your watch and the benefit of customizable smartphone notifications.
