

Véritable

## Véritable Lingot Menthe Verte - Terre pré-enrichie avec des graines

254317

To enhance flavour and bring freshness to your dishes, Mint is the queen. It instantly perfumes both sweet and savory specialties. Thanks to its intense flavor, Mint doesn't need to be mixed with other herbs. Enjoy the Véritable® Lingot® technology: 100% natural and ready-to-use refills with no pesticides or GMOs (patent-pending). Lingot® Mint compatible with the whole Véritable® Garden range. *Specie: Spearmint*

### DÉTAILS DU PRODUIT

Véritable® LINGOT® is a patented innovation, offering ready-to-use refills designed for easy indoor gardening. These refills include everything your plants need for optimal growth: organic, soil-less media, organic seeds, and essential nutrients. No additional inputs are required. This system is simple, clean, efficient, and sustainable.

Explore a diverse collection of over 70 plant species available for cultivation in the Véritable® indoor garden range.
