Extended Battery Life
With 7 hours in each bud and an extra 17 hours in the case, JBuds Open Sport offers over 24 hours of total playtime. That's Lab Quality battery life, ensuring your music stays with you throughout your day and beyond.

Safe Listening
Discover a fresh approach to open ear listening with JBuds Open Sport. Featuring 14.2mm speakers positioned in front of your ear, it offers superior sound without compromising safety. This stylish alternative to traditional earbuds allows you to enjoy music, podcasts, and calls while staying aware of your surroundings.

JLab App
With the new **JLab App**, you'll have control to customize touch controls and sound to your personal preference – or use the presets for JLab Signature, Balance, or Bass Boost. Plus, get software updates for your product right when they're available. Available on the Google Play Store or Apple.

Secure Earhook
As the #1 sports headphone brand, JLab understands the importance of a secure and comfortable sport fit. Our JBuds Open Sport features a secure earhook that provides a snug and stable fit. With just a simple pinch of the hook, the bud won't fall off, even during the most rigorous activities.

Connect to Multiple Devices
With Bluetooth Multipoint you enjoy the versatility of transitioning seamlessly from device to device. Hop from a podcast on your computer to a call on your mobile. You can connect simultaneously to two devices – mobile, laptop, and/or computer.

You want earbuds that can keep up with you. The JBuds Open Sport are sweat and dustproof for your life on-the-go with an IP55 rating. That's durability for all life’s adventures.

Clear Calls
Whether you're in a busy office or a noisy city street, the JBuds Open Sport noise-canceling mic ensures crystal-clear calls. The MEMS mic in each bud helps eliminate background noise, ensuring that your voice is heard loud and clear on the other end.

Google Fast Pair
Enjoy even more effortless pairing with an Android device with Google Fast Pair. When you take out your earbuds and have a supported Android device, you’ll see a pop-up enabling you to connect via Bluetooth. Don’t worry if you’re not an Android user, JLab earbuds will connect with any Bluetooth-enabled device like iPhone with just a couple of taps.
