DETTAGLI DI PRODOTTO

First-Ever Swipe + Touch Controls
Navigate your music effortlessly with the first-ever swipe and touch controls, providing intuitive control over your audio playback, volume, and settings.

Hybrid Active Noise Canceling
Hybrid Active Noise Cancelation adjusts to the environment and continually learns how to best cancel noises, offering the best audio experience. Activate the Hybrid Active Noise Canceling to eliminate external distractions up to 25 dB or switch to Be Aware mode to remain connected to your environment.

Serious Playtime
JBuds Sport ANC features 14+ hours of wireless playtime in each earbud and 46+ additional hours from the charging case. That’s 60+ total hours of Bluetooth playtime!

Connect to Multiple Devices
With Bluetooth Multipoint, enjoy the versatility of transitioning seamlessly from device to device. Hop from a podcast on your computer to a call on your mobile. You can connect simultaneously to two devices – mobile, laptop, and/or computer.

JLab App
With the new JLab App, customize the ANC/Be Aware settings, touch controls, and sound to your personal preference—or use the presets for JLab Signature, Balance, or Bass Boost. The safe hearing option allows you to protect your ears from hearing damage with volume limits. Plus, get software updates for your product right when they're available.

Made for Fitness
Built to endure rigorous workouts, the IP66 rating protects against sweat and dirt, making these earbuds perfect for the gym, trails, and beyond. The ergonomic earhook is designed to fit even the smallest ears, staying securely and comfortably in place throughout your workout. Plus, with a built-in

interval timer, you can easily program custom routines and stay focused on your training.

Safe Listening
Hear your surroundings while you run or walk for safe listening with Be Aware Audio. Turn it on when you want to let ambient noise in, or turn it off to zone out with just your music. Designed for you, the JBuds Sport ANC allows noise in or lets you converse while still listening to your headphones.

Clear Calls
Whether you're in a busy office or a noisy city street, the JBuds Sport ANC’s 4 noise-canceling mics ensure crystal-clear calls. The MEMS mic in each bud helps eliminate background noise, ensuring that your voice is heard loud and clear on the other end. Use either earbud independently or use both together.

Lab Quality Sound
We get it, sound is personal. With just a few taps on the touch sensors, you can choose your sound preference from our EQ3 settings: JLab Signature, Balanced, and Bass Boost—no app needed. No matter what you’re into, JLab offers incredible sound for all of life's moments—that’s Lab Quality Sound.

Google Fast Pair
Find your headphones and enjoy effortless pairing with an Android device with Google Fast Pair. When you take out your headphones and have a supported Android device, you’ll see a pop-up enabling you to connect via Bluetooth. Don’t worry if you’re not an Android user, JLab earbuds will connect with any Bluetooth-enabled device like iPhone with just a couple of taps.
