More Than Just a Baby Monitor

See, hear and speak to your baby no matter where you are with Hubble Connected's latest, Nursery Pal Essential with a 2.8" Parent unit for convenient and portable viewing through Wi-Fi. Digital zoom from your phone or tablet to maintain the perfect view of your infant on-the-go. At home, track nursery conditions with the in-built room temperature sensor, while soothing your little one with the sweet sound of your voice through two-way talk. Come bedtime, you'll have high-definition picture quality in the dark with infrared night vision, so you can watch your baby go to sleep as you control lullabies, audiobooks and nature sounds – all via the portable 2.8" parent unit.

Enjoy this convenient collection of features with our HubbleClub app! Join Hubble Community through the app and meet many new parents sharing their parenting journey. Upgrade to a monthly subscription for even more incredible features, including access to Sleep Consultant, motion triggered recordings and much more. You'll also receive sound and motion notifications to your compatible device, as well as our advanced Growth and Development Tracker, so you can manage your baby's routine to every detail. Give yourself the peace of mind you deserve with the Hubble Connected Nursery Pal Essential. More Than Just a Baby Monitor.
