MIGHTY SOUND, EVERYWHERE

15+ HOURS OF PORTABLE PLAYTIME

PRODUCT COPY

Willen is the mighty portable speaker that is made to go everywhere with you. Built with one 2" full range driver and two passive radiators, this speaker brings you the heavy Marshall sound you can't live without. A top-of-class IP67 dust- and water-resistance rating means it's always ready for the road. Willen brings together the iconic Marshall design with a ruggedness that dares you to push its limits. All this, plus its hefty 15+ hours of listening on a single charge and mounting strap mean that Willen is raring to go wherever you go.

The shortest distance between you and your music is Willen – just pair and play without any complicated set-up. Get hands on with your music with the equaliser presets in the app and the multi-directional control knob on the unit. Answer, reject or end a call with a few simple clicks and the built-in microphone will make sure that no one misses a word. This compact powerhouse is the ultimate multi-tasker but your music is king. Willen comes with Stack Mode – just connect it to multiple other Willen speakers to amplify your sound with an immersive multi-speaker session. Power your music with Marshall signature sound every single time, even when the session isn't planned.

KEY SELLING POINTS

1. TAKE MARSHALL SOUND WITH YOU, EVERYWHERE

Short: Willen is the mighty portable speaker that is made to go everywhere with you.

Medium: Willen is the mighty portable speaker that is made to go everywhere with you. Power your music with Marshall signature sound every single time, even when the session isn't planned.

Long: Willen is the mighty portable speaker that is made to go everywhere with you. Built with one 2" full range driver and two passive radiators, this speaker brings you the heavy Marshall sound you can't live without. Don't be fooled by its size – Willen might be compact, but it has a rock-star attitude. High-fidelity Marshall tuning and solid instrument separation stands Willen head and shoulders above its competition. Power your music with Marshall signature sound every single time, even when the session isn't planned.

2. DESIGN THAT SHAKES OFF THE ELEMENTS

Short: Willen comes with a top-of-class IP67 dust- and water-resistance rating so it's always ready for the road.

Medium: Willen comes with a top-of-class IP67 dust- and water-resistance rating so it's always ready for the road. This speaker brings together the iconic Marshall design with a ruggedness that dares you to push its limits.

Long: Willen comes with a top-of-class IP67 dust- and water-resistance rating so it's always ready for the road – rain or dirt won't stop the session. This speaker brings together the iconic Marshall design with a ruggedness that dares you to push its limits.

3. PLAYTIME THAT WON'T LET YOU DOWN

- Short:** Willen is ready to roll whenever you are with a hefty 15+ hours of portable playtime on a single charge.
- Medium:** Willen is ready to roll whenever you are with a hefty 15+ hours of portable playtime on a single charge. Whenever you need to top up its battery, 3 hours of charging will bring it back to full power.
- Long:** Willen is ready to roll whenever you are with a hefty 15+ hours of portable playtime on a single charge. Whenever you need to top up its battery, 3 hours of charging will bring it back to full power. If you can't wait that long, plug it in for only 20 minutes and you'll get 3 hours of playtime – plenty for whatever the day might throw your way.
