PRODUCT DETAILS

SOUND PERFECTION

Wireless headphones with Bluetooth 5.0.

#SWEAT has more than 7 hours of battery life in each earphone, and the case offers up to 4 additional charges, adding up to a total of up to 30 hours of playback. Via the microphone, you can manage phone calls. The headphones feature dual master technology, which means both earphones can be used independently from each other. The IXP7 rating provides protection from water - you can even shower and bathe with them. The voice assistant button lets you interact dynamically with the virtual assistant on your smartphone. Ultra bass mode enhances recordings and reduces the connection response time. The headphones feature a removable hook for a better grip. #SWEAT wireless headphones are available in white, black, pink and blue. Charging connector: Type-C.

LONG BATTERY LIFE

Over 7 hours of music playback in each earphone. If you add the additional charges in the case, you have a total of 30 hours of battery life.

MAIN FEATURES

- Wireless with Bluetooth 5.0
- 7 hours of battery life in each earphone and 4 charges in case for a total of up to 30 hours of playback
- Great sound quality with ultra bass mode for enhanced low frequencies and lower response time for Bluetooth connection
