PRODUCT DETAILS

Puff 400 Smart Bath Bubble Machine

Make pet bathing effortless and enjoyable with the Petaboo Puff 400 Smart Bath Bubble Machine. Under the motto "Easy Pet Care," Petaboo combines cutting-edge technology and innovative design to relieve the burden of pet grooming. This smart device eliminates the need for manual lathering, sparing your hands from soreness and fatigue. At the touch of a button, it transforms a mixture of water and shampoo into rich, dense foam that penetrates deep into hair follicles to dissolve grease and oil efficiently. Featuring a generous 400ml capacity and a 1:6 dilution scale, it minimizes shampoo waste and allows for a complete, interruption-free bath. Built with an IPX7 waterproof rating, the device can be fully submerged in water safely, making it the perfect tool for a stress-free, luxurious pet spa right at home.

Dense Foam

It produces rich, dense foam. The fine bubbles penetrate deep into your pet's hair roots, helping to quickly dissolve grease and oil for healthier fur.

Saves Shampoo

Uses Less Shampoo with 1:6 Dilution. The bottle features a built-in ratio scale. Simply add water and shampoo to enjoy a bubble bath. The diluted foam rinses off more easily, reducing residue on your pet's skin.

400ml Large Bottle Capacity

No Mid-Bath Refills. The large bottle capacity lets you finish the bath without stopping, making the process faster and more convenient.

One Touch Bubbling

It saves bathing time and eliminates the need to lather by hand, so your hands won't get sore or tired.

1200mAh Long Endurance

Fully charge it for 3 hours, and it provides up to 2 hours of operation/runtime.

IPX7 Waterproof

With high waterproof technology, the machine can be completely exposed to water with no issues, making bathing easier and safer.
