

Skullcandy SLYR Pro Wireless Gaming Headset, Xbox

253861

Our console-specific gaming headset connects effortlessly with Bluetooth, low-latency wireless or the included 3.5mm aux cable. Intuitive earcup buttons deliver total control with zero game interruption. On any modern console, SLYR Pro Wireless gives you the immersive audio advantage.

Kleur

PRODUCT DETAILS

Milliseconds matter.

SLYR Pro Wireless lets you experience the freedom of wireless gaming with extremely low latency. The included low latency transmitter significantly reduces audio delays.

The versatile advantage.

The wireless transmitter isn't the only way to connect to your console or PC. SLYR Pro Wireless includes Bluetooth and wired options for full range of platform compatibility – game any way you want

Pro tip: tap the app.

Advanced features like ChatMix, EQ and sidetone adjustment can be controlled via Skullcandy software, available for desktop or mobile.
