PRODUCT DETAILS

THE GREAT LITTLE SPEAKER

The Vieta Pro #GROOVE speaker with Bluetooth 5.0 and True Wireless function lets you connect two speakers from the same smartphone for stereo sound. It stands out for its IPX7 water resistance, which makes it perfect to take to the beach, pool and anywhere else you want. The #GROOVE speaker has a battery life of up to 12 hours, in addition to very good sound quality and a lot of power (20W). Via the featured voice assistant button, you can give orders to your smartphone from the speaker. Answering calls is easy and effortless thanks to the built-in microphone. #GROOVE also has an integrated light system with three different themes: lights to the rhythm of the music, changing light by interruption and changing light without interruption. In addition, the speaker has AUX-in to connect compatible devices via cable. Available in black, burgundy, pink and blue. Charging connector: Type-C.

WITH THREE LIGHT THEMES

#GROOVE has an integrated light system with three different themes: lights to the rhythm of the music, changing light by interruption and changing light without interruption. Choose your preferred mode, and enjoy your tunes.

A TRUE EXPERIENCE

Get the most out of your speaker. Using true wireless technology, you can connect two #GROOVE speakers from the same smartphone, doubling their power.
