PRODUCT DETAILS

Take the party wherever you go

Designed to last and deliver sound quality to match any party. Dual speakers for deep bass and a large, long-throw tweeter. Thanks to the handle on the back, you can carry the speaker comfortably. It also has a large 3600 mAh battery so you can enjoy your music without the need for electricity wherever you go.

Nice design

Unbeatable size/power ratio! You can store the speaker anywhere in the house, even in plain sight its minimalist design blends in perfectly.

Adapts like a chameleon

Thanks to the integrated RGB LED technology, you can set the exact tone you want for your own personal speaker light show - fixed, animated, to the rhythm of the music – it adapts to any environment.
