

Studio Pro ANC Wireless Headphones Black

253112

Distraction-free listening – however you want. Studio Pro ANC offers the ultimate over-ear headphone experience with four noise control modes and Smart Active Noise Canceling. Ultra-comfortable with Form-fit™ Earcups, plush Cloud Foam cushions and the adjustable headband, Studio Pro ANC have an amazing 45+ hours of playtime.

PRODUCT DETAILS

Smart Active Noise Control
Master your surroundings with four noise control modes: ANC (High), ANC (Low), ANC Off and Be Aware (pass-through outside noises). JLab Smart Hybrid ANC adapts on-the-go to variants in your environment to create the best audio experience. Four microphones work together to cancel out noise and provide uninterrupted audio – wherever you GO.

Dual connectivity
Connect wirelessly via Bluetooth to your PC, Mac, mobile and more. Or plug-in with the included USB-C to 3.5mm cable. The Studio Pro ANC offer 45+ hours of playtime via Bluetooth 5 on a single charge. Turn ANC on to block out the outside noise around you and enjoy 43+ hours of playtime.

Custom EQ3 Sound
Choose sound to match your personal preference between three options: JLab Signature, Balanced, and Bass Boost modes – without an app. Crystal clear sound, no matter what. Hear the difference at jlabaudio.com/EQ.

Cloud Foam™ Comfort
Form-Fit™ Earcups are ergonomically shaped to the natural outline of the ear. The 1” Cloud Foam cushions and adjustable hinges further customize your comfort for any travel, workout or commute.

Total Control
You’re in charge. Easily adjust volume, play or pause, skip tracks, and control ANC via the buttons on the earcup. Accept or reject calls with the universal mic and activate Siri** or Google Assistant while you’re on the GO.
