Polaroid Go-camera Gen3, paars

256523

Get off your phone and into the moment with the worlds smallest instant analog camera. Made to capture pocket-sized photos, its ready for wherever analog life takes you. With a selfie mirror, self-timer, and double exposure mode, Go Gen 3 adds a fresh lens and stronger flash for clearer shots in any light, and more zoomed-in selfies with less glare. Five bold new colors. Compatible with Polaroid Go film.

Kleur

PRODUCT DETAILS

Take it anywhere and everywhere

Small enough to wear, easy enough to take anywhere. The Go goes where you Go: every plan, every detour, and every last-minute adventure.

New colors, new vibes

Five bold new colors. Purple. Light Blue. Teal. Black. White. Which one are you feeling?

Sharper, more zoomed-in selfies

Upgraded lens = bigger, sharper selfies. Fit up to 3 friends in at arms length, with everyone looking clearer, closer, and actually in frame (no more hoping everyone is in shot).

Stronger flash & better shots in any lighting

With a redesigned lens that sits deeper in the camera, you get less glare, better contrast, and crisper shots, even in bright light.
