## Valera MatrixCare AI Pulse, Metallic Rood

255219

The super powerful high-speed hairdryer for professionals. The high-speed digital hairdryer Matrixcare AI Pulse with 2400 watts of enhanced power ensures effortless styling and tames even thick, unruly hair. Designed for hairdressers by Valera.

### PRODUCT DETAILS

Matrixcare AI Pulse is the superlight, ergonomic 'heavy duty' high-speed hairdryer for professional use with extra high wattage. Its resilient digital HI-PAX motor with 2400 watts and a lifetime of up to 10,000 hours achieves a high air pressure and an airflow rate of 90 m<sup>3</sup>/h. The dryer's Auto-Clean cleaning function ensures regular cleaning at the touch of a button, avoiding the risk of clogging at the air inlet filter. For each of the two hair type setups (Care/Max), integrated LED lights show three temperature and three air speed levels. A total of 18 combinations allow the professional to make the right choice for quick drying and creative styling. Matrixcare AI Pulse includes a diffuser and three highly professional styling nozzles, providing a personalized touch for every user's individuality.
