

# Minelab X-TERRA Intrepid Tactical metaaldetector

255552

**Professional Performance:** The X-Terra Intrepid Tactical is equipped with a powerful 10-inch waterproof coil, submersible up to 1 meter, allowing you to explore a variety of environments with confidence. **Simple, Intuitive Operation:** Whether you're new to metal detecting or an experienced pro, the Intrepid streamlines your search with user-friendly controls and straightforward functionality. **Smart Target Identification:** Save time by easily distinguishing trash from treasure. The Intrepid's large visual Target Identification (ID) numbers give you the information you need before you start digging.

## PRODUCT DETAILS

### LIGHTWEIGHT AND PORTABLE DESIGN

Designed for comfort and portability, the Intrepid Tactical's sleek, lightweight construction makes it easy to handle. It's also adjustable for both adults and kids, with a collapsed height of just 72 cm.

### FULLY AUTOMATIC AND ACCURATE

Switch between four hunting shortcuts to tune your detector in to specific types of treasure. Zero-in on a discovery by switching to Pinpoint for even greater precision.

### COMPACT AND LIGHT

X-TERRA INTREPID Tactical's sleek design has lightweight, rugged and compact construction to ensure comfort, durability and portability. Easily adjust its height to suit all users.

### SIMPLE TO USE

A large LCD display and intuitive user interface makes it easy for beginners to get started right out the box, and seasoned hunters to fine-tune settings quickly and easily.

### WATERPROOF

Waterproof coils up to 1m and Water Resistant control pod.

### PINPOINT

Included pinpoint mode to help you locate targets with extreme precision.

## AUDIO CONTROL

Automatic noise cancelling, lag-free audio response and 3-volume settings put you in control.

### Scope of delivery

- X-TERRA Voyager Intrepid Tactical
- 2x 9V batteries
- User manual

## Specificaties

### Product attributen

EAN:	0811493019833
