PRODUCT DETAILS

Music hypes you up, pushes you forward and gets you in the zone. The adidas Z.N.E. 01 ANC gives you immersive sound to connect to the moment. They're built to move, from the sleek ergonomics to the carefully considered style. The versatile design will become a staple in any outfit from your workout to daily life. Active Noise Cancelling blocks out distractions, so you keep your mind focused on what's next.

Active Noise Cancelling

Focus on the movement. Active Noise Cancelling blocks out distractions, so you stay focused on completing that final set. Switch to Awareness mode when you want to stay in touch with your surroundings.

Comfort fit

Built with comfort in mind, these sleek earbuds come with a set of three different sized ear-tips for a truly customized fit. So whether you're hitting the track or walking around the city, you can guarantee they'll stay put throughout the whole day.

Superior sound

Immerse yourself in the music. These earbuds offer superior sound in an ergonomic design. Block out the noise of the city, or find focus at the gym.

Sweat-proof and water-resistant

No weather delays. No holding back. These earbuds can handle everything from rainy day commutes to serious sweat. The IPX5 rating means they're sweat-proof and water-resistant, so grey skies and tough workouts are never a problem.

4.5 hours of playtime per charge

Always at the ready, 20 hours of total playtime. 4.5 hours of playtime in the buds keeps music at your fingertips. On-the-go charging in the case means the buds are ready to perform when you are.

Eco-charging

Charge it less. Listen longer. Eco-charging mode makes it easy to prolong the lifespan of your earbuds. Switch it on in the adidas Headphones app to limit the charge capacity to 80%. This increases the battery lifetime in the long term, so you get the most out of your buds.
