Momcozy U Shaped Pregnancy Pillow

254242

The Momcozy U-Shaped Pregnancy Pillow provides versatile and comfortable support for your back, abdomen, legs, and neck. It is specially designed for side sleepers and ensures optimal comfort throughout pregnancy.

With a special cooling cover that provides excellent heat dissipation, this pillow is ideal for summer or for moms who sweat easily. The cover made of high-quality, long-staple silk cotton ensures a perfect balance between comfort and support.

PRODUCT DETAILS

Revolutionary Cooling Coating

Our pillow is equipped with a special cooling touch coating that effectively dissipates heat for a comfortable night's sleep – perfect for hot summer nights or relief during pregnancy.

Unique U-Shaped Design

Enjoy comprehensive full-body support with our unique U-shaped design, carefully designed to support all major body parts during pregnancy and provide uninterrupted comfort.

C-Shaped Support

Benefit from the extra C-shaped support that gently wraps around your back, abdomen, legs and neck, ensuring personalized comfort for any sleeping position.

High Quality Long Cotton Silk Filling

Enjoy the luxurious feel of the high quality long cotton silk filling, which provides a perfect balance of comfort and support for your entire body.

Durability

Our pillow is designed to last and retains its shape night after night, even with intensive use.

Easy to care for

The cooling cover is not only comfortable, but also removable and machine washable, making it extra easy to maintain.

Adaptable Versatility

Our pillow is versatile and can be easily repurposed from a pregnancy support to a nursing pillow or as a soothing aid in injury recovery.

High quality workmanship

Made of 100% cotton and 100% polyester for the inner lining and filling, our pillow guarantees softness and durability.
