254027

The Thule Subterra 70cm Rolling Duffel is a versatile check-in suitcase that helps you maximize packing space and organize your items.

Kolory

PRODUCT DETAILS

Fold-flat divider separates items:

Easy to pack and stay organized with spacious interior that divides into two separate compartments using a stowable interior mesh divider panel

Smooth and easy transport:

Tough, oversized wheels and the V-tubing telescoping handles glide with ease on any terrain

Compression straps to maximize space:

Interior compression strap system helps keep items in place while exterior compression straps help reduce the overall size of the bag

Built to last:

Bag design absorbs the impact of travel with its durable, molded polycarbonate back panel

Magnetic side handles:

Quickly grab and go with magnetic side handles that lets you fluidly access your bag's contents

Easy identification:

Built in ID card slot simplifies identification of bag

A bluesign® certified product:

bluesign® is a strict international criteria that ensures the protection of workers, consumers, and the environment

High quality construction:

Durable construction thanks to the YKK zippers and 800D nylon that has a water-resistant finish free from PFCs, chemicals that can be harmful to the environment
