CLIP IT & RIP IT

Dime 360 is the glow-up your pocket-sized playlist has been waiting for. Still small. Still bold. Now better than ever. With 32 hours of total battery, a made-to-be-seen clip-it case, and a new pea-shaped fit that hugs your ear just right — this ain't your average budget bud. It's your go-anywhere, vibe-anytime, don't-look-back essential.

CLIP. RIP. REPEAT.

Never be without your daily soundtrack. Featuring an attractive case design with convenient portability and style, you can show it off and keep it close at hand by attaching the built-in clip to your keys, belt loop, or bag. Now with a smaller, pea-shaped bud design, Dime 360 is always at the ready.

CHARGE LESS, DO MORE

With up to 28 hours of total battery, Dime 360 keeps the good times going for days between charges. And when you're in a pinch for power, a quick 10-minute charge gives you a 2-hour battery boost.
