Aiper Scuba S1 2025 Cordless Pool cleaning robot

254498

The Aiper Scuba S1 robotic pool cleaner, featuring WavePath™ 2.0 navigation and a powerful dual-filter system for superior in-ground pool maintenance. This advanced cleaner tackles floors, walls, and waterlines, offering customizable modes and smart app control for ultimate convenience. Invest in the Aiper Scuba S1 for crystal-clear water and efficient pool cleaning, eliminating manual scrubbing and ensuring a pristine swimming experience.

PRODUCT DETAILS

Advanced Pool Cleaning Technology for a Sparkling Clean Pool

Say goodbye to manual pool cleaning with the Aiper Scuba S1, the next-generation robotic pool cleaner designed for in-ground pools up to 150m². Featuring a high-efficiency brushless motor and powerful suction, this automatic pool cleaner filters an impressive 300 liters per minute, tackling floor, walls, and waterline cleaning with ease. Its dynamic silicone brush ensures thorough debris removal, leaving your pool spotless.

Unrivalled Traction with Caterpillar Treads

Equipped with caterpillar treads, the Scuba S1 robotic pool vacuum provides superior grip and mobility across various surfaces, ensuring deep cleaning even over obstacles. No matter your pool surface type, this pool vacuum cleaner delivers seamless navigation for a complete clean.

Smart Navigation with WavePath™ 2.0 Technology

Unlike random movement robotic pool vacuums, the Aiper Scuba S1 utilizes WavePath™ 2.0 navigation for optimized coverage. Advanced sensors track real-time positioning, ensuring efficient, edge-to-edge cleaning with no missed spots.

Four Custom Cleaning Modes for Maximum Flexibility

Choose from four intelligent cleaning modes to suit your pool's needs:

- Floor Mode – Deep floor cleaning for dirt and debris removal
- Wall Mode – Targeted cleaning for walls and waterline
- Auto Mode – A full pool cleaning cycle for comprehensive maintenance

- Eco Mode – Periodic cleaning for long-term cleanliness

Hassle-Free Maintenance with Periodic Cleaning Mode

Keep your pool swim-ready all week with Periodic Cleaning Mode. The Scuba S1 activates every 48 hours for 45 minutes, ensuring clear water without last-minute scrubbing.

Smart App Control – Take Charge with the Aiper App

Enhance your automatic pool cleaning experience with the Aiper App. When out of water, you can:

- Select Wall Mode for targeted cleaning
- Monitor battery life in real-time
- View cleaning history in one convenient place

Superior Dual-Filtration System for Crystal-Clear Water

The Aiper Scuba S1 pool robot features double filter cleaning for superior water quality:

- 5L 180-micron primary filter captures large debris like leaves and dirt
- 3-micron secondary filter removes microscopic particles, keeping water healthier

Cleaning is effortless—simply open the lid, remove the filters, and rinse!

What's in the box?

- 1x Scuba S1
- 1x Charger
- 1x User Manual
- 1x Retrieval Hook

Specs

Product Attributes

EAN:	6977676340140
Manufacturer number:	X5-2025-GRY-EU
Product weight:	7.7 kilograms

Technical specifications

Pool types:	In-ground
Pool floor types:	Concrete Fiberglass Vinyl Tiles
Pool size:	150m ²
Flow rate:	265LPM
Filter fineness:	180 µm (Primary) 3 µm (Secondary)
Filter capacity:	3.5

Max diving depth:	3
Operation temperature:	10-35
Battery type:	14.4V 7800mAh (112.32Wh) battery
Charging time (0 - 100%):	4
IP classification:	IPX8
App-controlled:	true

Dimensions and Weight

Product height:	23.5
Product width:	39
Product length:	44.5
Product weight:	7.5

Energy Management

Input voltage:	100-240
