oversized English muffins. Whether it’s artisan loaves or dark rye, every slice fits comfortably without squeezing or tearing, delivering perfect results every time.

Achieve precision browning exactly the way you like it with six shade settings, from lightly golden to deep brown. Whether you prefer a gentle crisp or a hearty crunch, this toaster ensures every slice is toasted to perfection, with the High-Lift Quickview™ lever letting you sneak a peek mid-toast.

Smart presets make it easy to toast a variety of breads with confidence. Five dedicated options—Bread, Bagel, Sourdough, English Muffin and Fruit Bread—are calibrated for each texture and thickness, so you’ll never have to worry about uneven results again.

Convenience is built into every feature, from the Defrost function for frozen favourites to the +15 Seconds boost for that extra golden finish. The one-slice button ensures evenly toasted bread with perfect colour on both sides.

Finished in sleek stainless steel, this toaster combines modern style with practical details. A front crumb tray slides out for quick cleaning, while built-in cord storage keeps your countertop neat and organised. Compact yet powerful, it’s the perfect blend of elegance and everyday functionality.
