

HOVERAir VERSA Multi-functional Tripod

257765

The HOVERAir VERSA Multi-functional Tripod combines a sturdy tripod, expandable mount adapter, and magnetic back clip in a lightweight, foldable design. Universal 1/4-inch threaded and dual-prong interfaces also expand VERSA’s compatibility with a wide range of photography mounts and accessories.

PRODUKTSPECIFIKATION

Features + Benefits
Stable Support:
Creates a sturdy base for stationary shots, self-recording, and tabletop setups.

Compact Foldaway Design:
Weighing just 47.6 g, the tripod folds into a slim, pocket-friendly shape for easy carrying.

Versatile Mounting Options:
A 1/4-inch threaded mount, dual-prong interface, and magnetic back clip allows for more ways to position and use VERSA.
