PRODUKTSPECIFIKATION

Features

- From Active Play to Rest Mode
- The 2-in-1 hip seat carrier easily adapts to your baby's needs—whether they're eager to explore or ready to rest—making frequent ups and downs effortless.
- Comfy Seat for Happy Babies
 - A wide, stable seat keeps your baby in a natural sitting position with no leg pressure, avoiding the discomfort of hanging-style carriers. Even on long outings, baby stays relaxed and content.
- Carry Longer Without the Strain
 - The combination of hip seat support and X-shaped shoulder design greatly reduces pressure on parents' waist and abdomen, making long walks and outings lighter and more comfortable.
- All-in-One Convenience On the Go
 - A roomy pocket holds essentials and carrier accessories, so everything you need for outings is always within reach.
